

ARMY FAMILY ACTION PLAN (AFAP)

What is AFAP?

The Army Family Action (AFAP) is a year round program designed to improve the quality of life for Soldiers, Families, Civilians, and the Carlisle Barracks community.

Using this issue submission form, you can submit your issues, ideas, concerns, or suggestions.

AFAP listens and acts. Together, we find solutions.

Once an issue is received, the validity and local area of responsibility is determined. Most issues can be handled locally and are sent to the appropriate Directorate for resolution.

Some issues take time or are proven unattainable, but every issues is reviewed, monitored, and tracked until a resolution or determination is found. Those issues beyond the scope of Carlisle Barracks are forwarded to IMCOM for review and submission to the General Officer Steering Committee (GOSC).
